

making a

Rainbow of Memories

Please write your name here:

Rainbows remind us that even after the darkest stormy clouds, and sometimes the fiercest wind and rain, there is still some colour and hope.

Create your own special Rainbow

Each colour can represent something about your special person. Here's an example:

Grandma's lipstick

Grandma's perfume

Grandma's blonde hair

Grandma's green coat

Grandma's blue car

Grandma's wheelchair

Grandma's secret stash of popcorn

What you will need to make a Remembrance Rainbow:

Some sticks

Some Paint

Glue

Memory picture frame or Card

Once you've painted your rainbow, you can frame it in a picture frame, or glue it to some card.
